

Xerox Print Device Guide

How to Register Your RFID Tag

1. Present your tag to the receiver, which will be located close to the touch screen on the print device.

2. Once you have scanned your RFID tag, you will be presented with the below screen. Please enter your College/Training Provider username, as indicated below and then press enter or the “tick” icon.

3. Please now enter your password and press Enter, or the “tick” icon. Your account is now registered with the RFID tag.
